

Defensive Driver Training for Small Fleets

BHHC's Sponsored Live Webinar for December

Held on Tuesday, December 19, 2023, at 9:00 AM PST, presented by Steve Hamilton, ASP, BHHC Loss Control Supervisor.

The main goal of this session was for attendees to:

1. Understand common hazards associated with operating a motor vehicle.
2. Confidently identify safe driving concepts.
3. Implement actionable driving behaviors to help avoid vehicle collisions.
4. Gain insights into driving safely when encountering seasonal weather conditions.

5. Leverage the opportunity to equip yourself with vital knowledge to protect your team.

We understand that schedules can sometimes be unpredictable. If you were not able to attend or would like to revisit the information shared, we are pleased to provide the recording in the video above and a downloadable version of the presentation.
