Ergonomics Evaluation Program

Additional Information on Ergonomics

- Work From Home Ergonomics
- BHHC Loss Control Developed Resources, see the section titled: Ergonomics

Check Out Our Ergonomics App

Our new platform guides you through the ergonomic evaluation process. Track your company’s ergonomic assessments, and manage your reports and recommendations. It’s simple, efficient, and consistent. In our tool, you will get: Guided Evaluations, Activity Reports, Trend Reports, Real-Time Safety Actions, Customizable Procedures Reports + Recs, Photos + Geo-Tags, Voice Dictated Notes, Best Practices Library, Regulatory Compliance.

Ready to Sign-up?

To get started on the app, fill out the form below and we will get your sign-up started.

Log in to the BHHC Safety Center before submitting this request.
