Slip, Trip and Fall Hazard

SAFETY TIPS

FOOTWEAR

Remember to always wear footwear that is close toed, and flat with good grip

Slide on shoes should be avoided

Good housekeeping practices are important

Always keep floors and walkways tidy and drawers and cabinets closed

STEP LADDERS

Remember to use an appropriate step ladder for reaching up high, not a desk, chair or other unapproved item

SLIPPERY FLOORS

Always clean up wet floors right away and place signage to alert others

WEATHER RELATED HAZARDS

Have ice melt on hand for clearing walkways

Place wet floor signs and add extra matting to entries
