Safety Tips for Working Outdoors: Keep Employees Safe in Fall & Winter

BHHC’s Sponsored Live Webinar for November

Held on Tuesday, November 28, 2023, at 9:00 AM PST, presented by Steve Hamilton, ASP, BHHC Loss Control Supervisor.

The main goal of this session was for attendees to:

- Understand compliance requirements for seasonal safety.
- Confidently identify hazards to reduce risk potential.
- Learn how to effectively communicate and train for seasonal hazards.
- Gain insights into corrective actions for weather-related risk potential.
- Leverage the opportunity to equip yourself with vital knowledge to protect your team.

We understand that schedules can sometimes be unpredictable. If you were not able to attend or would like to revisit the information shared, we are pleased to provide the recording in the video above.

We encourage you to share this valuable resource with your team and other colleagues in your organization to promote a safer work environment that utilizes safety huddles.

Your Feedback is Valuable to Us

Take a few minutes to complete our survey. If you have any questions or comments or want more information, please do not hesitate to contact us at LossControl@bhhc.com.

We appreciate your interest and participation and remain committed to providing informative and valuable resources to help manage workplace safety. Watch for future Loss Control safety webinars and updates from BHHC.
