## Slip Hazards and Safety Picture This

1 MILLION Americans suffer a slip, trip, or fall injury every year.

which makes up almost

of all job related injuries.

This accounts for **-15%**of all accidental DEATHS 🕸

(that's about 20,000 people annually)

of all lost-time work injuries result from slips, trips, and falls

Infographic produced by Triumvirate Environmental, a leading provider of enterprise waste management and environmental services to Healthcare, Education, Life Sciences, and Industrial markets.
